

Call For Applications Research Grant

Globally, over 5 billion people lack access to safe, affordable and timely surgical and anaesthesia care with the majority being in sub-Saharan Africa. The College of Anaesthesiologists of East, Central and Southern Africa (CANECESA) has trained anaesthesiologists with a Fellowship qualification. However, there is a paucity of anaesthesia research originating from the region, with most of the research being from and done by colleagues from HICs.

Through funding support from the Royal College of Surgeons Ireland, CANECESA is inviting trainees and fellows to apply for CANECESA Research Grant. Successful applicants will be offered a Small Research Grant of US\$ 1,000 to support the implementation of their projects
